Dear chairman,

I, _____, would be happy to help the TDC committee in its process of selecting proposals for funds. With my experience, over the years, in the field of Information Technology, I could serve as an Expert to review the technical quality of the submitted project proposals and suggest acceptance of the same, for funds.

I understand that the submitted proposals are intellectual ideas of the proposers and undertake that any information/ideas in the proposals will not be misused by me or passed on to anyone else for use.

I understand that violation to this could amount to a criminal offense.
